

# DATASHEET

Splice box sliding version 1U without front panel, unequipped, grey

## General data

Material sheet steel  
 With sleeve nut (Art.-No. 80555.1) max. 4 splice cassettes installable  
 Cable entry at the rear, prepared for PG16/M20  
 Changeable cable entry for straight and angled  
 Cable entry in the middle for thinner cable

## Technical properties

|                                       |                             |
|---------------------------------------|-----------------------------|
| Depth                                 | 244.0 mm                    |
| Extendable                            | sliding version             |
| Height                                | 44.5 mm                     |
| Mounting method                       | 482.6 mm (19 inch) mounting |
| Number of height units                | 1 U                         |
| Suitable for number of module inserts | -                           |
| Width                                 | 483.0 mm                    |
| With Pigtail                          | False                       |
| With front plate                      | False                       |
