

Data sheet

Description

The USB-C to RJ45 adapter cable offers a flexible solution for network connections at speeds of up to 1 Gbps. It is backward compatible with USB 3.0, 2.0, and 1.1 and is ideal for connecting network devices in home offices and professional IT environments.

Connections	
Connection 1	USB Type-C plug
Orientation 1	180°
Shielding 1	Shielded
Case 1	Aluminum
Case color 1	black
Connection 2	RJ45 Female (8P8C)
Orientation 2	180°
Shielding 2	Shielded
Case 2	Aluminum
Case color 2	black
Contact material	Gold-plated

Cable

Typ	Round Cable
Inner conductor material	Copper
AWG	32
Outer jacket material	PVC
Outer diameter	4.5±0.2mm
Length	0.2
Color outer jacket	black

Signal transmission

Standard	Cat.6
Bandwidth	1 Gbps

Standards

Approval	UL 2725 VW-1
Compliance	RoHS Reach CE
Temperature range	-10°C ~ +60°C

Item No.	EAN
USBC-RJ45-MF-B-0,2M	4260310266862
